

HOW TO COMPLETE THE ONLINE MOVE-IN INSPECTION REPORT

Welcome! We're excited you're here and look forward to you calling our community home!

When you get to your apartment, we ask that one of the first things you do is complete your online Move-In Inspection Report. The Move-In Inspection Report will list items starting in the common area working you back to your bedroom and bathroom. Please take the time to inspect these items thoroughly.

We do our best to get all units made ready during our TURN process, but items can always be missed and it's important for you to let us know if any repairs or cleaning items need addressed at move in.

So how do you find the Move-In Inspection Report?

- Visit our website on your mobile device
- Select Resident/Resident Portal/Log In from the drop-down menu in the upper left corner or download the Resident Portal App (photos below of the app)

- Now that you are a Logged into your Resident Portal, look for the Alerts on the right side of the screen.
 - You will see an alert for Inspection
 - Click Start Inspection

HOW TO COMPLETE THE ONLINE MOVE-IN INSPECTION REPORT

How do you complete the inspection?

The first items listed will begin at the entry door of your apartment taking you through the common areas and leading you back to your Bedroom and Bathroom (sample items listed below)
o Please make sure you are completing the items for your Bedroom and Bathroom

Welcome to Your New Home!

We appreciate you taking the time to complete your Resident Move-In Inspection. Please note that by submitting this inspection, you acknowledge that "failed" items that do not have an uploaded photo and note explaining the specific issue will be changed to "passed" by Property Management, which may lead to charges at move out.

Maintenance Work-Orders will be automatically created for any failed items and handled accordingly.
